

Vendor Application

Event Date: July 4nd between 6-10pm at the Gunter City Park

Vendor Selection & Eligibility

The application is for Vendor submission only and does NOT guarantee admission. To ensure event quality and cohesiveness, applications will be approved depending on product mix and availability. Fireworks in the Park is a juried event accepting vendors based on variety, originality, and quality of goods and food sold and given away. Vendor selection is designed to provide customers with not only the highest quality of vendors but a collection of vendors who compliment one another in such a way to create a cohesive event. The Chamber reserves the right to not duplicate businesses promoting the same product or service, and will restrict the number and types of vendors. The Chamber will select vendors who best meet the needs of the event.

The Gunter Chamber of Commerce Board, in their sole discretion, will determine booth assignments in a fair and equitable manner based on the needs of the Fireworks in the Park event. Once it has been determined that your products are the quality and type to fit the event, you will be invited to attend the event.
